Caribe

Mare cristalino dalle mille sfumature di blu, sabbia bianca impalpabile e abbagliante, palme verdi che si inchinano alle onde, sole giallo di uno splendore accecante, temporali grigi brevi e improvvisi: in una parola sola, Caribe.

Crystal clear sea in a thousand shades of blue, elusive and dazzling white sand, green palms bowing to the waves, yellow sun with a blinding glow, short grey storms and sudden sunshine: in a single word Caribe.

Une mer transparente, aux mille nuances de bleu, du sable blanc impalpable et éblouissant, des palmiers verts qui s'inclinent devant les vagues, le soleil d'un jaune splendide et aveuglant, de brefs orages gris et soudains, en un mot : Caribe.

Kristallklares Meer in tausend Nuancen von Blau, blendend weißer feiner Sand, grüne sich vor den Wellen verneigende Palmen, eine gelbe strahlende Sonne, kurze graue Gewitter: in einem Wort Caribe.
