SoHo

PAUL ceramiche

SoHo

SoHo è la serie che Paul&Co ha creato ispirandosi allo stile urban chic di una delle zone più interessanti di New York. La collezione propone rivestimenti dal sapore essenziale, così come le nuance proposte, ma arricchite da decori vintage che interpretano ricordi passati sempre di grande attualità.

SoHo is the range created by Paul&Co, inspired by the urban chic style of one of New York's most fascinating neighbourhoods. The collection features wall coverings with a minimalist feel, as do the colourways on offer, yet they are enhanced by vintage motifs that evoke memories of the past which remain as relevant as ever.

SoHo est la série que Paul&Co a créée en s'inspirant du style « urban chic » de l'un des quartiers les plus intéressants de New York. La collection propose des revêtements au style épuré, à l'image des nuances proposées, mais enrichis de motifs vintage qui réinterprètent des souvenirs du passé toujours d'une grande actualité.

SoHo ist die Serie, die Paul&Co in Anlehnung an den urbanen Chic eines der interessantesten Viertel New Yorks entworfen hat. Die Kollektion umfasst Wandverkleidungen mit schlichtem Design, ebenso wie die angebotenen Farbtöne, die jedoch durch Vintage-Motive bereichert werden, welche Erinnerungen an vergangene Zeiten aufgreifen, die nach wie vor hochaktuell sind.
