Studio

Pittura e scultura. Come nello studio creativo di un artista, questo binomio ci ha affascinato tanto da diventare un'idea per i rivestimenti della serie Studio, prodotti in pasta bianca e in formato rettificato. Partendo dalle pennellate colorate, decise e briose dei fondi si arriva alla scoperta degli elementi scultorei delle strutture, che ognuno può combinare per personalizzare al massimo il proprio ambiente.

Painting and sculpture. Just as in an artist's studio, this pairing has fascinated us so much that it has inspired the designs for the tiles in the Studio range, produced in white body and in a rectified format. Starting with the colourful, bold and lively brushstrokes of the backgrounds, we discover the sculptural elements of the designs, which anyone can combine to personalise their space to the full.

Peinture et sculpture. À l'image de l'atelier d'un artiste, ce duo nous a tant fascinés qu'il a donné naissance à une idée pour les revêtements de la série Studio, fabriqués en pâte blanche et au format rectifié. À partir des coups de pinceau colorés, audacieux et pleins de vie des fonds, on découvre les éléments sculpturaux des structures, que chacun peut combiner pour personnaliser au maximum son intérieur.

Malerei und Bildhauerei. Wie im Atelier eines Künstlers hat uns diese Kombination so sehr fasziniert, dass daraus eine Idee für die Fliesen der Serie Studio entstand, die aus weißer Masse und im rektifizierten Format hergestellt werden. Ausgehend von den farbenfrohen, kraftvollen und lebhaften Pinselstrichen der Hintergründe entdeckt man die skulpturalen Elemente der Strukturen, die jeder individuell kombinieren kann, um seinen Wohnraum ganz nach eigenem Geschmack zu gestalten.
