Cooper

Il fascino delle origini, delle vecchie case costruite con materiale grezzo che profuma ancora di bosco. Il carattere deciso di un movimento grafico intrigante che diventa protagonista dell'ambiente. Cooper sorprende per la ricchezza progettuale che nasce da queste ispirazioni. L'aspetto vissuto permette realizzazioni di tendenza mantenendo un spirito caldo, vivo ed accogliente strizzando l'occhio ad un passato non così lontano.

The charm of the past, of old houses built with raw materials that still smell of the forest. The bold character of an intriguing graphic design that takes centre stage in the space. Cooper surprises with the richness of its design, born from these inspirations. The weathered look allows for stylish creations whilst maintaining a warm, lively and welcoming spirit, with a nod to a not-so-distant past.

Le charme des origines, des vieilles maisons construites avec des matériaux bruts qui sentent encore la forêt. Le caractère affirmé d'un motif graphique intrigant qui devient le protagoniste de l'espace. Cooper surprend par la richesse conceptuelle qui naît de ces inspirations. L'aspect vieilli permet de créer des réalisations tendance tout en conservant un esprit chaleureux, vivant et accueillant, avec un clin d'œil à un passé pas si lointain.

Der Charme der Ursprünge, der alten Häuser aus rohem Baumaterial, das noch immer nach Wald duftet. Der markante Charakter einer faszinierenden grafischen Gestaltung, die zum Mittelpunkt des Raumes wird. Cooper überrascht durch die gestalterische Vielfalt, die aus diesen Inspirationen entsteht. Der Used-Look ermöglicht trendige Gestaltungen, die gleichzeitig eine warme, lebendige und einladende Atmosphäre bewahren und dabei an eine nicht allzu ferne Vergangenheit anknüpfen.
