La bico di Paul

LA CASA DI PAUL

Il progetto “La casa di Paul” rappresenta un vero e proprio spazio dell’abitare, un contenitore di materiali, certo, ma anche e soprattutto di sensazioni, emozioni, conoscenze, tutte profondamente umane, e vere. Perché Paul è “il volto umano della ceramica”.

The “La casa di Paul” project represents a true living space, a container for materials, of course, but also and above all for sensations, emotions, and knowledge, all profoundly human and authentic. Because Paul is “the human face of ceramics”.
